WORFLC thanks community

Hello Friends,

Last Saturday, more than 100 households received a 12-pound or 14-pound turkey and macaroni and cheese from Word of Righteousness Family Life Center for their family to enjoy this Thanksgiving holiday.

However, this truly could not have been achieved without the tremendous community support received. This is especially the case since most of the turkeys were purchased at retail due to a shortage in the number available through our normal discount food supplier.

A special thanks to Vic Collova (mayor-elect of Garfield Heights), Sarah McKelvey (branch manager of National City Bank - Garfield Heights), Jason and Yolanda Lucas (owners of Lucas Memorial Chapel - Garfield Heights), Burt Salzman (owner of Dave's Supermarkets - Cleveland) and Patricia Murphy (owner of Building Blocks Child Care Center - Garfield Heights) for the use of her van to pick up the more than 1400 pounds of turkeys we distributed.

We are also thankful to the management and staff of DataScan Field Services in Solon for their donation of more than 1,000 pounds of food, which will be given to needy families on December 5th at the monthly food distribution.

The turkey distribution was a huge success because of the dedicated service of volunteers from throughout the community and members of Word of Righteousness Church. This is such a great community to serve in, and we are so appreciative of the support our partners offer to make our work possible.

Humbly,

Alicia M. Lytle,
