## Food distribution great success

Dear Friends,

The November food distribution was a success! We have witnessed a tremendous increase in need. As you may recall, last month we served 176 individuals from 58 households.

Today, we provided 304 individuals from 93 households with enough food for 5 to 7 days! The numbers nearly doubled!

It has been an awesome privilege to serve these families in their time of need. We would like to be able to assist them even more.

We are prayerful that someone or some entity will provide a generous contribution to enable us to provide Thanksgiving turkeys to these families as well.

Thank each of you in advance for your continued prayers and support of this effort.
